PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 21st February 1950.

The Commissioner for Food Production in Mysore has brought to the notice of Government that during his recent tour in Shimoga District in December 1949, the raiyats represented that standing food crops were being destroyed by wild animals such as wild boars, etc., and that it was not possible for every raiyat to secure a gun license to shoot the wild animals for the protection of crops. The matter was considered by the Government. It is found that under the Game Regulation, the raiyat is at liberty to kill, capture or pursue wild animals, including those coming under the definition of game for purposes of protection of crops, so far as it may be necessary. There is no objection to the raiyats acting under these provisions to protect their crops.

Press Note.

Dated 22nd February 1950.

In view of the indifferent health of His Holiness the Senior Swamigalu of Sri Sringeri Mutt and on receipt of representations from a few devotees of the Mutt, Government proposed to constitute a small advisory committee consisting of very respectable gentlemen who are devotees of the Mutt to assist the Officer-in-charge of the Mutt in the internal affairs of the Mutt. Suggestions or objections to the above proposal were called for in Notification No. R. 4628—Muz. 7-48-22, dated 22nd November 1949 so as to reach Government by 15th January 1950. As the opinion in general of the devotees of the Mutt is against the proposal, Government do not consider it necessary to constitute the Committee and the management will continue as at present under the supervision of the Officer-in-charge of the Mutt.

Press Note.

Dated 22nd February 1950.

With reference to the news from Davangere published in the local press to the effect that control over ragi and jola has been relaxed in Chitaldurg District so as to allow free trade in small quantities of these foodgrains, in view of the satisfactory results of the new harvest in that district, it has to be emphasised that the news is entirely baseless and mischievous. Government wish to warn the public that all the provisions of the Harvest Order, 1949, continue to operate unaltered all over the State and that any individuals taking steps in contravention thereof will incur the penalties prescribed by law.
